Roof Tech, Inc.  
92 Hamilton Dr., Suite A  
Novato, CA 94949

Subject: [E] Mount, U set Solar and [E] Rail

To Whom It May Concern:

This is to confirm that Owens Corning Roofing & Asphalt LLC will warrant their shingles when Roof Tech's U set Solar, [E] Mount and [E] Rail is attached to a roofing system. The installer when using Roof Tech's U set Solar, [E] Mount and [E] Rail must follow Roof Tech's application instructions.

Owens Corning cannot be responsible for any failure of Roof Tech's Solar mounting hardware if installed improperly that would cause damage to our roofing shingles.

Sincerely,

*Mel Sancrant*
